The following plan was adopted by the Pastors of the Midwestern District Council to assist Churches in obtaining needed financial help after exhausting other means and in the case of an emergency. This plan was also designed to help smaller Churches to build a good credit rating that they may be able to obtain loans as needed on their credit

history. This plan was ratified and had progressed to the stage of selecting a Financial Committee for banking funds received.

To obtain a financial base to be in a position to help the Midwestern District Council of Churches in obtaining loans for building, repairing, maintaining Church property or to meet any other emergency situation that may arise unexpectedly. Be it so resolved that every Church would assess its members a one-time assessment of \$12.00 (\$1.00 per month) to be collected by the Pastors and turned over to the District Elder. The District Elder is to report the monies received to the Financial Committee for banking in an interest bearing account as a surety fund in a banking or financial institution as designated by our Diocesan and/or Chairman.

Any Church finding it necessary to obtain a loan for church extension, renovation, building maintenance or any emergency situation will obtain an application from said lending agency. This application will be turned over to a screening committee appointed by the Diocesan and/or Chairman for review. After review, the committee will return application to applicant to be submitted to lending agency. If screening committee approves applicant's application the signature of Chairman of the Committee, along with Diocesan and/or Chairman of Council will be affixed to application.

An approved application will assure lending agency that the Midwestern District Council surety fund will guarantee loan with equal amount from deposited funds. If in process of repaying a loan, a church finds itself in the position that they are unable to make re-payment of note of time, notice will be forwarded to the committee Chairman, Diocesan and/or Council Chairman no later than five (5) days prior to due date.
